VEGFR3/Flt-4 Antibody (1091512) [DyLight 488]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1091512                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | DyLight 488                                                                                 |
| Purity              | Protein A or G purified from ascites                                                        |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                         |
|-------------------------|-----------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                     |
| Gene ID                 | 2324                                                                                    |
| Species                 | Human                                                                                   |
| Specificity/Sensitivity | Detects recombinant human VEGFR3 protein in Direct ELISA.                               |
| Immunogen               | Mouse myeloma cell line, NS0-derived human VEGFR3/Flt-4 Tyr25-Ile776 Accession # P35916 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.       |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry                                                   |
| Recommended Dilutions       | Immunohistochemistry                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
