| Clonality                   | Monoclonal                                                                                                                                                                                            |
| Clone                       | 250448                                                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                    |
| Isotype                     | IgG1                                                                                                                                                                                                  |
| Conjugate                   | FITC                                                                                                                                                                                                  |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                            |
| Buffer                      | PBS                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                       |
| Host                        | Mouse                                                                                                                                                                                                 |
| Gene ID                     | 5618                                                                                                                                                                                                  |
| Gene Symbol                 | PRLR                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                 |
| Specificity/Sensitivity     | Detects human Prolactin R in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse Prolactin R and recombinant rat Prolactin R is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Prolactin R<br>Gln25-Asp234<br>Accession # P16471                                                                                               |
| Product Application Details |                                                                                                                                                                                                       |
| Applications                | Western Blot, Neutralization                                                                                                                                                                          |
| Recommended Dilutions       | Western Blot, Neutralization                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                |
