CD57 Antibody (1088014) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1088014                                                                                     |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                      |
|-------------------------|------------------------------------------------------|
| Host                    | Mouse                                                |
| Gene ID                 | 27087                                                |
| Species                 | Human                                                |
| Specificity/Sensitivity | Detects the CD57 carbohydrate epitope in Human PBMCs |
| Immunogen               | Whole Cell<br>Accession # Q9P2W7                     |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Immunohistochemistry                                   |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
