Fetuin A/AHSG Antibody (162919) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 162919                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                                                                                                                                  |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                                                                                                            |
| Gene ID                 | 197                                                                                                                                                                                                                                                                              |
| Gene Symbol             | AHSG                                                                                                                                                                                                                                                                             |
| Species                 | Human                                                                                                                                                                                                                                                                            |
| Specificity/Sensitivity | Detects Fetuin A/AHSG in ELISAs and Western blots. In sandwich immunoassays, no cross-reactivity or interference with recombinant mouse (rm) Fetuin A, recombinant human (rh) MMP-2, rhMMP-9, rhTGF- $\beta$ 1, rhTGF- $\beta$ 2, rhCathepsin V, rhBMP-2, -4, or -6 is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human Fetuin A/AHSG Ala19-Val367 (predicted)<br>Accession # P02765                                                                                                                                                               |

| Product Application Details |                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------|
| Applications                | ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair) |
| Recommended Dilutions       | ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                        |
