| Host                        | Mouse                                                                                                                                                                                                                                  |
| Gene ID                     | 59277                                                                                                                                                                                                                                  |
| Gene Symbol                 | NTN4                                                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human Netrin-4 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant mouse (rm) Netrin-1, recombinant chicken (rch) Netrin-1, rchNetrin-2, or rmNetrin-G1a is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Netrin-4 Val26-Lys628<br>Accession # Q9HB63                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                                        |
| Applications                | Western Blot                                                                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                 |
