**FAB13381H**

alpha-Synuclein Antibody (913611) [HRP]

| Product Information         |                                                                                                                   |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                       |
| Storage                     | Store at 4C in the dark.                                                                                          |
| Clonality                   | Monoclonal                                                                                                        |
| Clone                       | 913611                                                                                                            |
| Preservative                | No Preservative                                                                                                   |
| Isotype                     | IgG2b                                                                                                             |
| Conjugate                   | HRP                                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                        |
| Buffer                      | PBS                                                                                                               |
| Product Description         |                                                                                                                   |
| Host                        | Mouse                                                                                                             |
| Gene ID                     | 6622                                                                                                              |
| Gene Symbol                 | SNCA                                                                                                              |
| Species                     | Human, Mouse, Rat                                                                                                 |
| Specificity/Sensitivity     | Detects human $\alpha$ -Synuclein in direct ELISAs and human, mouse and rat $\alpha$ -Synuclein in Western blots. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human $\alpha$ -Synuclein Met1-Ala140 Accession # P37840                      |
| Product Application Details |                                                                                                                   |
| Applications                | Western Blot, Immunohistochemistry                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                            |
