Insulin Antibody (182410) [PE]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 182410                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG2a                                                                                            |
| Conjugate                   | PE                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                       |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Rat                                                                                              |
| Gene ID                     | 3630                                                                                             |
| Gene Symbol                 | INS                                                                                              |
| Species                     | Human, Mouse, Bovine                                                                             |
| Specificity/Sensitivity     | Detects bovine, human, and mouse insulin.                                                        |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Insulin                                                |
| Product Application Details |                                                                                                  |
| Applications                | Immunohistochemistry, CyTOF-ready, Immunocytochemistry, Intracellular Staining by Flow Cytometry |
| Recommended Dilutions       | Immunohistochemistry, Intracellular Staining by Flow Cytometry, Immunocytochemistry, CyTOF-ready |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
