**FAB1508H**

Soggy-1/DkkL1 Antibody (192425) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 192425                                                                                      |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                           |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                                                       |
| Gene ID                 | 27120                                                                                                                                                                     |
| Gene Symbol             | DKKL1                                                                                                                                                                     |
| Species                 | Mouse                                                                                                                                                                     |
| Specificity/Sensitivity | Detects mouse Soggy-1/DkkL1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human Soggy-1/DkkL1 is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse Soggy-1/DkkL1 Leu21-Leu230<br>Accession # AAF02679                                                                  |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
