CD8 Antibody (37006R) [Janelia Fluor® 635]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Monoclonal                                                                                          |
| Clone                       | 37006R                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG2b                                                                                               |
| Conjugate                   | Janelia Fluor 635                                                                                   |
| Purity                      | 0                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                  |
| Product Description         |                                                                                                     |
| Host                        | Mouse                                                                                               |
| Gene ID                     | 925                                                                                                 |
| Species                     | Human                                                                                               |
| Specificity/Sensitivity     | Detects human CD8α in direct ELISAs.                                                                |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CD8α<br>Ser22-Val198<br>Accession # NP_741969 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.               |
| Product Application Details |                                                                                                     |
| Applications                | Flow Cytometry, CyTOF-ready, Immunocytochemistry                                                    |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry, CyTOF-ready                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
