CCR2 Antibody (48607) [DyLight 488]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 48607                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 488                                                                                 |
| Purity              | Protein A or G purified from ascites                                                        |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                           |
| Gene ID                 | 729230                                                                                          |
| Gene Symbol             | CCR2                                                                                            |
| Species                 | Human                                                                                           |
| Specificity/Sensitivity | Detects human CCR-2 transfectants but not the parental cell line or CCR-5 transfectants.        |
| Immunogen               | NS0 mouse myeloma cell line transfected with human CCR2 Met1-Leu360<br>Accession # NP_001116868 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.               |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Immunohistochemistry, CyTOF-ready                      |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, CyTOF-ready                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
