STAT5b Antibody (1032E) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1032E                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                              |
|-------------------------|--------------------------------------------------------------|
| Host                    | Rabbit                                                       |
| Gene ID                 | 6777                                                         |
| Gene Symbol             | STAT5B                                                       |
| Species                 | Human, Mouse, Rat                                            |
| Specificity/Sensitivity | Detects human, mouse, and rat STAT5b in Western blots.       |
| Immunogen               | Human STAT5b synthetic peptide aa 777-787 Accession # P51692 |

| Product Application Details |                                                                            |
|-----------------------------|----------------------------------------------------------------------------|
| Applications                | Western Blot, Immunoprecipitation, Immunocytochemistry, Knockout Validated |
| Recommended Dilutions       | Western Blot, Immunoprecipitation, Immunocytochemistry, Knockout Validated |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.     |
