# FAB160RB

CXCR3 Antibody (49801R) [Biotin]

| CXCR3 Antibody (49801R) [Biotin] |   |
|----------------------------------|---|
| Product Information              |   |
| Unit Size                        | 0.1 ml  |
| Concentration                    | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                          | Store at 4C in the dark.  |
| Clonality                        | Monoclonal  |
| Clone                            | 49801R  |
| Preservative                     | 0.05% Sodium Azide  |
| Isotype                          | IgG1  |
| Conjugate                        | Biotin  |
| Purity                           | Protein A or G purified from cell culture supernatant                                       |
| Buffer                           | PBS   |
| Product Description              |   |
| Host                             | Mouse   |
| Gene ID                          | 2833  |
| Species                          | Human   |
| Specificity/Sensitivity          | Detects human CXCR3 in direct ELISAs.   |
| Immunogen                        | NS0 mouse myeloma cell line transfected with human CXCR3 Met1-Leu368 Accession # P49682     |
| Product Application Details      |   |
| Applications                     | Flow Cytometry, Immunohistochemistry, CyTOF-ready, Neutralization                           |
| Recommended Dilutions            | Flow Cytometry, Immunohistochemistry, Neutralization, CyTOF-ready                           |
| Application Notes                | Optimal dilution of this antibody should be experimentally determined.                      |
|                                  |   |
