PDGFRL Antibody (1008804) [Biotin]

| Product Information         |                                                                                                |
|-----------------------------|------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                     | Store at 4C in the dark.                                                                       |
| Clonality                   | Monoclonal                                                                                     |
| Clone                       | 1008804                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                             |
| Isotype                     | IgG2b                                                                                          |
| Conjugate                   | Biotin                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                     |
| Buffer                      | PBS                                                                                            |
| Product Description         |                                                                                                |
| Host                        | Mouse                                                                                          |
| Gene ID                     | 5157                                                                                           |
| Species                     | Human                                                                                          |
| Specificity/Sensitivity     | Detects human PDGFRL in direct ELISAs.                                                         |
| Immunogen                   | Human embryonic kidney cell, HEK293-derived human PDGFRL<br>Gln22-Ser375<br>Accession # Q15198 |
| Product Application Details |                                                                                                |
| Applications                | Flow Cytometry, CyTOF-ready                                                                    |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                         |
