TIM-1/KIM-1/HAVCR Antibody (222417) [PerCP]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Monoclonal                                                                                                                |
| Clone                       | 222417                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Isotype                     | IgG2b                                                                                                                     |
| Conjugate                   | PerCP                                                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                |
| Buffer                      | PBS                                                                                                                       |
| Product Description         |                                                                                                                           |
| Host                        | Rat                                                                                                                       |
| Gene ID                     | 26762                                                                                                                     |
| Species                     | Mouse                                                                                                                     |
| Specificity/Sensitivity     | Detects mouse TIM $\alpha$ 1/KIM-1/HAVCR in direct ELISAs.                                                                |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse TIM $\alpha$ 1/KIM-1/HAVCR Tyr22-Thr212<br>Accession # NP_001160104 |
| Product Application Details |                                                                                                                           |
| Applications                | ELISA                                                                                                                     |
| Recommended Dilutions       | ELISA                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
