| Host                        | Mouse                                                                                                                                                                                                                                      |
| Gene ID                     | 5653                                                                                                                                                                                                                                       |
| Gene Symbol                 | KLK6                                                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human Kallikrein 6/Neurosin in direct ELISAs and Western blots. In Western blots, no cross-reactivity with recombinant human (rh) Factor X, recombinant mouse HGFA, rhKLK3, 4, 5, 8, 10, 11, 15, rhThrombin, or rhuPA is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Kallikrein 6/Neurosin Leu22-Lys244<br>Accession # Q92876                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                                                            |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                                                          |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                     |
