| Gene ID                     | 5641                                                                                                                                                                                   |
| Gene Symbol                 | LGMN                                                                                                                                                                                   |
| Species                     | Mouse                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects mouse Legumain/Asparaginyl Endopeptidase in direct ELISAs and Western blots. In Western blots, approximately 25% cross-reactivity with recombinant human Legumain is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Legumain/Asparaginyl Endopeptidase Val18-Tyr435<br>Accession # O89017                                                            |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                      |
| Product Application Details |                                                                                                                                                                                        |
| Applications                | Western Blot                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                 |
