FCRL5/FCRL3 Antibody (307307) [Janelia Fluor® 585]

| Product Information         |                                                                                                                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                  |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                     |
| Clonality                   | Monoclonal                                                                                                                                                                                   |
| Clone                       | 307307                                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                           |
| Isotype                     | IgG2b                                                                                                                                                                                        |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                                            |
| Purity                      | Protein A or G purified                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                                              |
| Host                        | Mouse                                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects human FCRL5/FCRL3 in direct ELISAs. In direct ELISAs, 100% cross-reactivity with recombinant human (rh) FCRL3 is observed and no cross-reactivity with rhFCRL1, 2, or 4 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human FCRL5/FCRL3 Gln16-Arg844<br>Accession # AAI01067                                                                                       |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                        |
| Product Application Details |                                                                                                                                                                                              |
| Applications                | Flow Cytometry, CyTOF-ready                                                                                                                                                                  |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                       |
