Reg2 Antibody (239237) [Biotin]

| Product Information         |                                                                                                                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                          |
| Storage                     | Store at 4C in the dark.                                                                                                                                                             |
| Clonality                   | Monoclonal                                                                                                                                                                           |
| Clone                       | 239237                                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                   |
| Isotype                     | IgG2a                                                                                                                                                                                |
| Conjugate                   | Biotin                                                                                                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                      |
| Host                        | Rat                                                                                                                                                                                  |
| Gene ID                     | 5968                                                                                                                                                                                 |
| Gene Symbol                 | Reg2                                                                                                                                                                                 |
| Species                     | Mouse                                                                                                                                                                                |
| Specificity/Sensitivity     | Detects mouse Reg2 in direct ELISAs and Western blots. Does not cross-react with recombinant mouse (rm) Reg1, recombinant rat (rr) Reg2, rmReg3A, recombinant human Reg4, or rrReg4. |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse Reg2                                                                                                                                       |
| Product Application Details |                                                                                                                                                                                      |
| Applications                | Western Blot                                                                                                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                               |
