| Clonality                   | Monoclonal                                                                                                                                                                                           |
| Clone                       | 353207                                                                                                                                                                                               |
| Preservative                | No Preservative                                                                                                                                                                                      |
| Isotype                     | IgG1                                                                                                                                                                                                 |
| Conjugate                   | HRP                                                                                                                                                                                                  |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                      |
| Host                        | Mouse                                                                                                                                                                                                |
| Gene ID                     | 79258                                                                                                                                                                                                |
| Gene Symbol                 | MMEL1                                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                                |
| Specificity/Sensitivity     | Detects human Neprilysin□2/MMEL1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human (rh) Neprilysin, rhECE□1 or rhECE□2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Neprilysin-2 Gly78-Trp779<br>Accession # Q495T6                                                                                                |
| Product Application Details |                                                                                                                                                                                                      |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                               |
