Glypican 2 Antibody (300736) [DyLight 550]

| Product Information         |                                                                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                               |
| Storage                     | Store at 4C in the dark.                                                                                                                                                  |
| Clonality                   | Monoclonal                                                                                                                                                                |
| Clone                       | 300736                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                        |
| Isotype                     | IgG2a                                                                                                                                                                     |
| Conjugate                   | DyLight 550                                                                                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                        |
| Product Description         |                                                                                                                                                                           |
| Host                        | Rat                                                                                                                                                                       |
| Gene ID                     | 221914                                                                                                                                                                    |
| Gene Symbol                 | Gpc2                                                                                                                                                                      |
| Species                     | Mouse                                                                                                                                                                     |
| Specificity/Sensitivity     | Detects mouse Glypican 2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human GPC2, 3, 5, or 6 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Glypican 2<br>Lys27-Leu554<br>Accession # Q8BKV1                                                                    |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                         |
| Product Application Details |                                                                                                                                                                           |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                        |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                    |
