**FAB2367F**

Ficolin-3 Isoform 2 Antibody (296134) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 296134                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                            |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                      |
| Gene ID                 | 8547                                                                                                                                                                       |
| Gene Symbol             | FCN3                                                                                                                                                                       |
| Species                 | Human                                                                                                                                                                      |
| Specificity/Sensitivity | Detects human Ficolin $\alpha$ 3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human Ficolin-2 is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human Ficolin $\alpha$ 3<br>Lys22-Arg299<br>Accession # O75636-1                                                           |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
