| Storage                     | Store at 4C in the dark.                                                                                                                                           |
| Clonality                   | Monoclonal                                                                                                                                                         |
| Clone                       | 373606                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                 |
| Isotype                     | IgG2b                                                                                                                                                              |
| Conjugate                   | DyLight 680                                                                                                                                                        |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                 |
| Product Description         |                                                                                                                                                                    |
| Host                        | Mouse                                                                                                                                                              |
| Gene ID                     | 8578                                                                                                                                                               |
| Gene Symbol                 | SCARF1                                                                                                                                                             |
| Specificity/Sensitivity     | Detects human SREC-I/SCARF1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human SREC-2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human SREC-I/SCARF1 Ser20-Thr421<br>Accession # Q14162                                                             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                  |
| Product Application Details |                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                             |
