HAPLN1 Antibody (316119) [DyLight 550]

| Product Information         |                                                                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                    |
| Storage                     | Store at 4C in the dark.                                                                                                                                       |
| Clonality                   | Monoclonal                                                                                                                                                     |
| Clone                       | 316119                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                             |
| Isotype                     | IgG2a                                                                                                                                                          |
| Conjugate                   | DyLight 550                                                                                                                                                    |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                             |
| Product Description         |                                                                                                                                                                |
| Host                        | Mouse                                                                                                                                                          |
| Gene ID                     | 1404                                                                                                                                                           |
| Gene Symbol                 | HAPLN1                                                                                                                                                         |
| Species                     | Human                                                                                                                                                          |
| Specificity/Sensitivity     | Detects human HAPLN1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody does not cross-react with recombinant human HAPLN4. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human HAPLN1<br>Asp16-Asn354<br>Accession # P10915                                                             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                              |
| Product Application Details |                                                                                                                                                                |
| Applications                | Western Blot                                                                                                                                                   |
| Recommended Dilutions       | Western Blot                                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                         |
