**FAB2639A**

Lysyl Oxidase Homolog 2/LOXL2 Antibody (262418) [Allophycocyanin]

| Product Information         |                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                     |
| Storage                     | Store at 4C in the dark.                                                                                        |
| Clonality                   | Monoclonal                                                                                                      |
| Clone                       | 262418                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                              |
| Isotype                     | IgG2b                                                                                                           |
| Conjugate                   | Allophycocyanin                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                      |
| Buffer                      | PBS                                                                                                             |
| Product Description         |                                                                                                                 |
| Host                        | Mouse                                                                                                           |
| Gene ID                     | 4017                                                                                                            |
| Gene Symbol                 | LOXL2                                                                                                           |
| Species                     | Human                                                                                                           |
| Specificity/Sensitivity     | Detects human Lysyl Oxidase Homolog 2/LOXL2 in direct ELISAs and Western blots.                                 |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Lysyl Oxidase Homolog 2/LOXL2<br>Gln26-Gln744 (predicted) |
| Product Application Details |                                                                                                                 |
| Applications                | Western Blot, Immunoprecipitation                                                                               |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                          |
