CD300f/LMIR3/CD300LF Antibody (234903) [DyLight 550]

| Product Information         |                                                                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                          |
| Storage                     | Store at 4C in the dark.                                                                                                                                             |
| Clonality                   | Monoclonal                                                                                                                                                           |
| Clone                       | 234903                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                   |
| Isotype                     | IgG2b                                                                                                                                                                |
| Conjugate                   | DyLight 550                                                                                                                                                          |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                   |
| Product Description         |                                                                                                                                                                      |
| Host                        | Rat                                                                                                                                                                  |
| Gene ID                     | 146722                                                                                                                                                               |
| Gene Symbol                 | CD300LF                                                                                                                                                              |
| Specificity/Sensitivity     | Detects human CD300f/LMIR3 in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant human LMIR1, 2, 4, 5, 6, or recombinant mouse LMIR3 is observed. |
| Immunogen                   | Y3 rat myeloid cell line transfected with human CD300f/LMIR3                                                                                                         |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                    |
| Product Application Details |                                                                                                                                                                      |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry, CyTOF-ready                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                               |
