| Gene Symbol                 | OPCML                                                                                                                                                                                                                                           |
| Species                     | Human                                                                                                                                                                                                                                           |
| Specificity/Sensitivity     | Detects human OBCAM on direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody does not cross-react with recombinant human (rh) ALCAM, rhBCAM, rhEpCAM, rhNCAM, recombinant mouse (rm) MAdCAM, rmOCAM, or rmNCAM-L1. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human OBCAM Gly28-Asn322<br>Accession # Q14982                                                                                                                                                  |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                           |
| Product Application Details |                                                                                                                                                                                                                                                 |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                          |
