| Storage                     | Store at 4C in the dark.                                                                                                                                                  |
| Clonality                   | Monoclonal                                                                                                                                                                |
| Clone                       | 319514                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                        |
| Isotype                     | IgG2a                                                                                                                                                                     |
| Conjugate                   | Biotin                                                                                                                                                                    |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                |
| Buffer                      | PBS                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                           |
| Host                        | Mouse                                                                                                                                                                     |
| Gene ID                     | 139065                                                                                                                                                                    |
| Gene Symbol                 | SLITRK4                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                     |
| Specificity/Sensitivity     | Detects human SLITRK4 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human SLITRK1, 2, 3, or 5 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human SLITRK4 Asp19-Pro616<br>Accession # Q8IW52                                                                          |
| Product Application Details |                                                                                                                                                                           |
| Applications                | Western Blot                                                                                                                                                              |
| Recommended Dilutions       | Western Blot                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                    |
