| Conjugate                   | Biotin                                                                                                                                                                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                                                                        |
| Host                        | Mouse                                                                                                                                                                                                                                                  |
| Gene ID                     | 60343                                                                                                                                                                                                                                                  |
| Gene Symbol                 | FAM3A                                                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human FAM3A in direct ELISAs and Western blots. In direct ELISAs and Western blots, 100% cross-reactivity with recombinant mouse FAM3A is observed and no cross-reactivity with recombinant human (rh) FAM3B, rhFAM3C, or rhFAM3D is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human FAM3A<br>Phe34-Ser230<br>Accession # P98173                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                                                        |
| Applications                | Western Blot                                                                                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                 |
