**FAB2874F**

PRG-1/LPPR4 Antibody (368701) [FITC]

| Product Information         |                                                                                                |
|-----------------------------|------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                     | Store at 4C in the dark.                                                                       |
| Clonality                   | Monoclonal                                                                                     |
| Clone                       | 368701                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                             |
| Isotype                     | IgG2b                                                                                          |
| Conjugate                   | FITC                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                     |
| Buffer                      | PBS                                                                                            |
| Product Description         |                                                                                                |
| Host                        | Mouse                                                                                          |
| Gene ID                     | 9890                                                                                           |
| Gene Symbol                 | LPPR4                                                                                          |
| Species                     | Human                                                                                          |
| Specificity/Sensitivity     | Detects PRG□1/LPPR4 in direct ELISAs and Western blots.                                        |
| Immunogen                   | <i>E. coli</i> -derived recombinant human PRG□1/LPPR4<br>Ser285-Asp715<br>Accession # AAO85400 |
| Product Application Details |                                                                                                |
| Applications                | Western Blot                                                                                   |
| Recommended Dilutions       | Western Blot                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                         |
