| Clonality                   | Monoclonal                                                                                                                                                                   |
| Clone                       | 367205                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                           |
| Isotype                     | IgG2b                                                                                                                                                                        |
| Conjugate                   | PE                                                                                                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                   |
| Buffer                      | PBS                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                              |
| Host                        | Mouse                                                                                                                                                                        |
| Gene ID                     | 23768                                                                                                                                                                        |
| Gene Symbol                 | FLRT2                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects human FLRT2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, this antibody does not cross-react with recombinant human (rh) FLRT1 or rhFLRT3. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human FLRT2<br>Cys36-Ser539<br>Accession # O43155                                                                            |
| Product Application Details |                                                                                                                                                                              |
| Applications                | Western Blot                                                                                                                                                                 |
| Recommended Dilutions       | Western Blot                                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                       |
