**FAB290721H**

wnvNS1 Protein Antibody (991502) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 991502                                                                                      |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG1                                                                                        |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                          |
| Gene ID                 | 912267                                                                                                                                         |
| Species                 | Viral                                                                                                                                          |
| Specificity/Sensitivity | Detects recombinant Viral wnvNS1 protein in direct ELISAs.                                                                                     |
| Immunogen               | HEK293 human embryonic kidney cell line transfected with recombinant Viral wnvNS1 Protein<br>Asp1-Ala352, Asp1-Ala352<br>Accession # NP_776015 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
