**FAB29571C**

S100P Antibody (357514) [PerCP]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 357514                                                                                      |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG2b                                                                                       |
| <b>Conjugate</b>     | PerCP                                                                                       |
| <b>Purity</b>        | Protein A or G purified from hybridoma culture supernatant                                  |
| <b>Buffer</b>        | PBS                                                                                         |

**Product Description**

|                                |                                                                                     |
|--------------------------------|-------------------------------------------------------------------------------------|
| <b>Host</b>                    | Mouse                                                                               |
| <b>Gene ID</b>                 | 6286                                                                                |
| <b>Species</b>                 | Human                                                                               |
| <b>Specificity/Sensitivity</b> | Detects human S100P in direct ELISAs.                                               |
| <b>Immunogen</b>               | <i>E. coli</i> -derived recombinant human S100P<br>Met1-Lys95<br>Accession # P25815 |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | Immunohistochemistry                                                   |
| <b>Recommended Dilutions</b> | Immunohistochemistry                                                   |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
