**FAB2986C**

GSK-3 alpha Antibody (288901) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 288901                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                            |
| Gene ID                 | 2931                                                                                                             |
| Gene Symbol             | GSK3A                                                                                                            |
| Species                 | Human                                                                                                            |
| Specificity/Sensitivity | Detects human GSK-3 $\alpha$ . In direct ELISAs, this antibody does not detect recombinant human GSK-3 $\beta$ . |
| Immunogen               | <i>E. coli</i> -derived recombinant human GSK-3 $\alpha$<br>Gly90-Ser483<br>Accession # P49840.2                 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunocytochemistry                                                    |
| Recommended Dilutions       | Immunocytochemistry                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
