Wnt-7a Antibody (946744) [FITC]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Monoclonal                                                                                             |
| Clone                       | 946744                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG1                                                                                                   |
| Conjugate                   | FITC                                                                                                   |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                             |
| Buffer                      | PBS                                                                                                    |
| Product Description         |                                                                                                        |
| Host                        | Mouse                                                                                                  |
| Gene ID                     | 7476                                                                                                   |
| Species                     | Human                                                                                                  |
| Specificity/Sensitivity     | Detects human Wnt-7a in direct ELISAs.                                                                 |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Wnt-7a Met1-Lys349<br>Accession # O00755 |
| Product Application Details |                                                                                                        |
| Applications                | Immunocytochemistry                                                                                    |
| Recommended Dilutions       | Immunocytochemistry                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
