Integrin beta 7 Antibody (332408) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 332408                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                     |
|-------------------------|---------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                 |
| Gene ID                 | 3695                                                                                                                |
| Gene Symbol             | ITGB7                                                                                                               |
| Species                 | Mouse                                                                                                               |
| Specificity/Sensitivity | Detects mouse Integrin $\beta$ 7 extracellular domain in direct ELISAs.                                             |
| Immunogen               | Chinese hamster ovary cell line CHO-derived recombinant mouse Integrin $\beta$ 7 Glu20-His722<br>Accession # P26011 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                   |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Adhesion Activation                                                    |
| Recommended Dilutions       | Adhesion Activation                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
