| Clonality                   | Monoclonal                                                                                                                                                                                  |
| Clone                       | 395526                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                          |
| Isotype                     | IgG2b                                                                                                                                                                                       |
| Conjugate                   | Janelia Fluor 549                                                                                                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                             |
| Host                        | Mouse                                                                                                                                                                                       |
| Gene ID                     | 114897                                                                                                                                                                                      |
| Gene Symbol                 | C1QTNF1                                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human CTRP1/C1qTNF1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human (rh) CTRP4, rhCTRP5, or rhC1qL2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CTRP1/C1qTNF1 Arg26-Pro281<br>Accession # Q9BXJ1                                                                                      |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                       |
| Product Application Details |                                                                                                                                                                                             |
| Applications                | Western Blot                                                                                                                                                                                |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                      |
