**FAB31741P**

Myeloperoxidase/MPO Antibody (358621) [PE]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Clonality                   | Monoclonal                                                                                               |
| Clone                       | 358621                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG2a                                                                                                    |
| Conjugate                   | PE                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                               |
| Buffer                      | PBS                                                                                                      |
| Product Description         |                                                                                                          |
| Host                        | Rat                                                                                                      |
| Gene ID                     | 4353                                                                                                     |
| Species                     | Human                                                                                                    |
| Specificity/Sensitivity     | Detects human Myeloperoxidase/MPO in sandwich ELISAs.                                                    |
| Immunogen                   | Mouse myeloma cell line NS0-derived human Myeloperoxidase/MPO protein Ala49-Ser745<br>Accession # P05164 |
| Product Application Details |                                                                                                          |
| Applications                | ELISA                                                                                                    |
| Recommended Dilutions       | ELISA                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
