Siglec-11 Antibody (705904) [DyLight 405]

| Siglec-11 Antibody (705904) [DyLight 405] |   |
|---|---|
| Product Information                       |   |
| Unit Size                                 | 0.1 ml  |
| Concentration                             | Please see the vial label for concentration. If unlisted please contact technical services.                 |
| Storage                                   | Store at 4C in the dark.  |
| Clonality                                 | Monoclonal  |
| Clone                                     | 705904  |
| Preservative                              | 0.05% Sodium Azide  |
| Isotype                                   | lgG2a   |
| Conjugate                                 | DyLight 405   |
| Purity                                    | Protein A or G purified from hybridoma culture supernatant  |
| Buffer                                    | 50mM Sodium Borate  |
| Product Description                       |   |
| Host                                      | Mouse   |
| Gene ID                                   | 114132  |
| Gene Symbol                               | SIGLEC11  |
| Specificity/Sensitivity                   | Detects human Siglec-11 in direct ELISAs. In direct ELISAs, no cross-reactivity with Siglec-16 is observed. |
| Immunogen                                 | Human Siglec-11 synthetic peptide PPARLSWTRWGQTVGPSQPSDPGVLELPPIC Accession # Q96RL6                        |
| Notes                                     | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                           |
| Product Application Details               |   |
| Recommended Dilutions                     | Flow Cytometry, Immunohistochemistry, CyTOF-ready   |
| Application Notes                         | Optimal dilution of this antibody should be experimentally determined.                                      |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Recommended Dilutions              | Flow Cytometry, Immunohistochemistry, CyTOF-ready                      |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
