Peroxiredoxin 6 Antibody (477068R) [Allophycocyanin]

| Product Information         |                                                                                                |
|-----------------------------|------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                     | Store at 4C in the dark.                                                                       |
| Clonality                   | Monoclonal                                                                                     |
| Clone                       | 477068R                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                             |
| Isotype                     | IgG1                                                                                           |
| Conjugate                   | Allophycocyanin                                                                                |
| Purity                      | Protein A or G purified from cell culture supernatant                                          |
| Buffer                      | PBS                                                                                            |
| Product Description         |                                                                                                |
| Host                        | Mouse                                                                                          |
| Gene ID                     | 9588                                                                                           |
| Species                     | Human                                                                                          |
| Specificity/Sensitivity     | Detects human Peroxiredoxin 6 in direct ELISAs and Western blots.                              |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Peroxiredoxin 6<br>Met1-Pro224<br>Accession # P30041 |
| Product Application Details |                                                                                                |
| Applications                | Western Blot, Knockout Validated                                                               |
| Recommended Dilutions       | Western Blot, Knockout Validated                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                         |
