**FAB3594W**

Sulfatase Modifying Factor 2/SUMF2 Antibody (330312) [DyLight 650]

| Product Information         |                                                                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                   |
| Storage                     | Store at 4C in the dark.                                                                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                                                                    |
| Clone                       | 330312                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                            |
| Isotype                     | IgG2b                                                                                                                                                                         |
| Conjugate                   | DyLight 650                                                                                                                                                                   |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                            |
| Product Description         |                                                                                                                                                                               |
| Host                        | Mouse                                                                                                                                                                         |
| Gene ID                     | 25870                                                                                                                                                                         |
| Gene Symbol                 | SUMF2                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects human Sulfatase Modifying Factor 2/SUMF2 in direct ELISAs and Western blots. No cross-reactivity with recombinant human SUMF1 or recombinant mouse SUMF2 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Sulfatase Modifying Factor 2/SUMF2<br>Gln26-Leu301<br>Accession # Q8NBJ7                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                             |
| Product Application Details |                                                                                                                                                                               |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                             |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                        |
