ChemR23/CMKLR1 Antibody (84939) [Biotin]

| Product Information         |                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.5 ml                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                     | Store at 4C in the dark.                                                                        |
| Clonality                   | Monoclonal                                                                                      |
| Clone                       | 84939                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                              |
| Isotype                     | IgG3                                                                                            |
| Conjugate                   | Biotin                                                                                          |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                      |
| Buffer                      | PBS                                                                                             |
| Product Description         |                                                                                                 |
| Host                        | Mouse                                                                                           |
| Gene ID                     | 1240                                                                                            |
| Gene Symbol                 | CMKLR1                                                                                          |
| Specificity/Sensitivity     | Detects human ChemR23. Stains human ChemR23-transfected cells but not irrelevant transfectants. |
| Immunogen                   | NS0 mouse myeloma cell line transfected with human ChemR23 Met1-Leu371<br>Accession # NP_004063 |
| Product Application Details |                                                                                                 |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                          |
