Park7/DJ-1 Antibody (925805R) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 925805R                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                   |
|-------------------------|-------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                             |
| Gene ID                 | 11315                                                                                                             |
| Gene Symbol             | PARK7                                                                                                             |
| Species                 | Human, Mouse, Rat                                                                                                 |
| Specificity/Sensitivity | Detects human, mouse, and rat PARK-7 in Western blots. In sandwich immunoassays, it is specific for human PARK-7. |
| Immunogen               | <i>E. coli</i> -derived recombinant human PARK-7<br>Ala2-Asp189<br>Accession # Q99497                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunocytochemistry, Knockout Validated           |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry, Knockout Validated           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
