**FAB4119L**

alpha-L-Iduronidase/IDUA Antibody (452619) [Dylight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 452619                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                    |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                              |
| Gene ID                 | 3425                                                                                                                               |
| Gene Symbol             | IDUA                                                                                                                               |
| Species                 | Human                                                                                                                              |
| Specificity/Sensitivity | Detects human $\alpha$ -L-Iduronidase/IDUA in direct ELISAs and Western blots.                                                     |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human $\alpha$ -L-Iduronidase/IDUA Ala26-Pro653 (Ala26Thr)<br>Accession # P35475.2 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                  |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
