FKBP12/FKBP12.6 Antibody (426227) [Janelia Fluor® 525]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 426227                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Janelia Fluor 525                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                          |
| Species                 | Human, Mouse, Rat                                                                                            |
| Specificity/Sensitivity | Detects human FKBP12.6 in direct ELISAs. Detects human, mouse, and rat FKBP12 and FKBP12.6 in Western blots. |
| Immunogen               | <i>E. coli</i> -derived recombinant human FKBP12.6<br>Gly2-Glu108<br>Accession # P68106                      |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
