| Clonality                   | Monoclonal                                                                                                                                                                                              |
| Clone                       | 442127                                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                      |
| Isotype                     | IgG2b                                                                                                                                                                                                   |
| Conjugate                   | Biotin                                                                                                                                                                                                  |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                                                                   |
| Gene ID                     | 3078                                                                                                                                                                                                    |
| Gene Symbol                 | CFHR1                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human Complement Factor H-related 1/CFHR1 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human (rh) CFHR2 or rhCFHR5 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Complement Factor H-related 1/CFHR1<br>Glu19-Ala328<br>Accession # Q03591                                                                         |
| Product Application Details |                                                                                                                                                                                                         |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                  |
