Claudin-10b Antibody (394513) [Janelia Fluor® 635]

| Product Information         |                                                                                                           |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                     | Store at 4C in the dark.                                                                                  |
| Clonality                   | Monoclonal                                                                                                |
| Clone                       | 394513                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                        |
| Isotype                     | IgG2b                                                                                                     |
| Conjugate                   | Janelia Fluor 635                                                                                         |
| Purity                      | Protein A or G purified                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                        |
| Product Description         |                                                                                                           |
| Host                        | Mouse                                                                                                     |
| Gene ID                     | 9071                                                                                                      |
| Gene Symbol                 | CLDN10                                                                                                    |
| Species                     | Human                                                                                                     |
| Specificity/Sensitivity     | Detects human Claudin□10b. Stains human Claudin□10b transfectants but not irrelevant transfectants.       |
| Immunogen                   | NS0 mouse myeloma cell line transfected with human Claudin□10 b Isoform Met1-Val228<br>Accession # P78369 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                     |
| Product Application Details |                                                                                                           |
| Applications                | Flow Cytometry, CyTOF-ready                                                                               |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                    |
