CCL3/MIP-1 alpha Antibody (2146A) [Dylight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 2146A                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                             |
|-------------------------|-------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                      |
| Gene ID                 | 6348                                                                                                        |
| Gene Symbol             | CCL3                                                                                                        |
| Species                 | Mouse                                                                                                       |
| Specificity/Sensitivity | Detects mouse CCL3/MIP $\alpha$ 1 $\alpha$ in direct ELISAs.                                                |
| Immunogen               | <i>E. coli</i> -derived recombinant mouse CCL3/MIP $\alpha$ 1 $\alpha$<br>Ala24-Ala92<br>Accession # P10855 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                           |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Neutralization                                                         |
| Recommended Dilutions       | Neutralization                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
