MAP3K8/Tpl2/COT Antibody (634130) [DyLight 405]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 634130                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG2b                                                                                            |
| Conjugate                   | DyLight 405                                                                                      |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                       |
| Buffer                      | 50mM Sodium Borate                                                                               |
| Product Description         |                                                                                                  |
| Host                        | Mouse                                                                                            |
| Gene ID                     | 1326                                                                                             |
| Gene Symbol                 | MAP3K8                                                                                           |
| Species                     | Human                                                                                            |
| Specificity/Sensitivity     | Detects human MAP3K8/Tpl2/COT in direct ELISAs and Western blots.                                |
| Immunogen                   | <i>E. coli</i> -derived recombinant human MAP3K8/Tpl2/COT<br>Gln173-Gln395<br>Accession # P41279 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot                                                                                     |
| Recommended Dilutions       | Western Blot                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
