TPT1/TCTP Antibody (488411) [Janelia Fluor® 549]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 488411                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 549                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                          |
|-------------------------|------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                    |
| Gene ID                 | 7178                                                                                     |
| Gene Symbol             | TPT1                                                                                     |
| Species                 | Human, Mouse, Rat                                                                        |
| Specificity/Sensitivity | Detects human, mouse, and rat TPT1/TCTP in Western blots.                                |
| Immunogen               | <i>E. coli</i> -derived recombinant human TPT1/TCTP<br>Met1-Cys172<br>Accession # P13693 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.    |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry                                      |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
