TAF3/FAM19A3 Antibody (460904) [DyLight 488]

| Product Information         |                                                                                                                                                                             |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                                                  |
| Clone                       | 460904                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                          |
| Isotype                     | IgG2b                                                                                                                                                                       |
| Conjugate                   | DyLight 488                                                                                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                          |
| Product Description         |                                                                                                                                                                             |
| Host                        | Mouse                                                                                                                                                                       |
| Gene ID                     | 284467                                                                                                                                                                      |
| Gene Symbol                 | FAM19A3                                                                                                                                                                     |
| Specificity/Sensitivity     | Detects human TAF3/FAM19A3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human TAF1, 2, 4, or 5 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human TAF3/FAM19A3<br>Ala31-Arg133<br>Accession # Q7Z5A8                                                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                           |
| Product Application Details |                                                                                                                                                                             |
| Recommended Dilutions       | Western Blot, Intracellular Staining by Flow Cytometry, CyTOF-ready                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                      |
